RECOGNITION OF PRIOR LEARNING POLICY

The National Code of Practice for Providers of Education and Training to Overseas Students 2018 requires the School to have and implement a documented policy and process for assessing and recording recognition of prior learning.

Recognition of Prior Learning involves an assessment of an international student's prior learning, including formal, informal and non-formal learning, to determine the learning outcome of an individual.

Peninsula Grammar does not assess or recognise prior learning of an international student for the purposes of enrolment at the School.
