

# STATEMENT OF PHILOSOPHY

## WE ARE COMMITTED TO

- Providing the children of the Mornington Peninsula region an independent school of the highest quality.
- Providing learning opportunities for each student so they can pursue and achieve excellence.
- Providing exceptional care for each student by fostering leadership, positive education and a healthy and active lifestyle.

## CORE VALUES

## VISION

To be Australia's number one co-educational, day and boarding school that offers an unsurpassed comprehensive education and is known around the world for our spirited and community environment.

## MISSION

Peninsula Grammar strives to provide the highest quality teachers who nurture and inspire students to strive for personal excellence.

Key characteristics of the School are its community spirit and its steadfast commitment to positive education. We aim to foster self-belief and creativity in each child.

We believe that this is best achieved in a coeducational environment, shaped by Christian faith that produces active and informed global citizens.

## ENACTMENT OF PHILOSOPHY

Our philosophy is enacted through our teaching and care for each student in our community. Our philosophy guides all planning, decision making and governance.

To ensure our staff, students and parents understand who we are as a school, we publish our philosophy in our;

- Prospectus;
- Strategic plan;
- Website;
- Business Plan;
- School intranet - Zenith.
